<p><b>Description</b>  <i>Provide a short description of the event and its activities.</i></p> <p><u>September 18th 2022</u>  Arrival of the delegations and accommodation.  Welcoming activities to allow the delegations to become familiar with the town, its citizens and the other delegates.  Presentation of the official programme of activities, timetables and eventual recommendations.  Welcome speech by the Mayor of Jevišovice, Pavel Málek.  Direct involvement of volunteers into the planning and management of activities: welcome party organised by local associations.</p> <p><u>September 19th 2022</u>  Presentation of the delegations, their Municipalities and Countries. Cultural visit to local museums, to the two castles and to local schools.  Seminar by experts "CERV - Citizens, Equality, Rights and Values Programme". Boosting the awareness, knowledge and understanding on European Union and its programmes and possibilities offered to its citizens, involving experts in the project activities. Typical dinner and folkloristic show organised by local cultural associations and volunteer organisations, involving that way the locals in the planning and implementation of Synergy project. Question time with volunteers and youth workers to exchange best practices and to allow a direct confrontation.</p> <p><u>September 20th 2022</u>  Analysis of past crisis and their effect on the social and solidal tissue of Europe, comparing it to the actual situation due to the present crisis (pandemic situation and war): EU policies and the response of the EU to international crisis.</p>
--

Analysis of experiences from partner countries and perception of Eu ruling at local level. Circle Time: exposing personal point of view and open debate on themes relevant for the delegations. Stimulating debates, confrontation and mutual understanding, allowing each participant to give voice to their point of view, boosting the reflection on causes and effects of crisis at local, national and EU level. Best practices exchange.  
Meeting in the afternoon in the city hall with the city counsellors.

#### September 21st 2022

Cultural morning: visit to the city of Znojmo.

"What if? - Imagine future crisis scenarios and possible actions with and without EU" + Problem solving: discussion of the activity and resolution of eventual conflicts, comparison of differences and similarities between the different countries. Debating on the Future of Europe and boosting reflection on the role of European Union in the Future through activities that directly involved the participants. Problem solving for the resolutions of the active comparison that rised from the direct debate between participants. Visit to local NGOs in the afternoon and Multicultural dinner and integrational activities with the local community, with the chance of best practices exchange and boosting the multicultural debate.

#### September 22nd 2022

Problem solving: "Breaking down Greater EU Problems, how are they built and how to tackle them?" - Circle time to allow informal and open debate among participants and experts, further discussion and exchange of recommendations and needs. Reflection on what causes the deprivation of solidarity in Europe and how to tackle down major factors of risk for the Future Integration.

Lunch prepared by a mixed team of partners, to know better other cultures and traditions.

Typical dinner and show in Czech folkloristic costumes to foster Czech culture among the participants.

#### September 23rd 2022

Cultural day: visit to the municipality of Višňové, to the municipality of Miroslav and its Castle, then visit to Moravský Krumlov and to the Museum to see the "Slav Epic" by Alfons Mucha.

To let the participants know different towns in the territory. The Municipality of Višňové is also part of the Synergy partnership and it often participate in European projects together with the municipality of Jevišovice.

#### September 24th 2022

Workshop: discussion and presentation "Innovative approach to energy and youth involvement in possible solutions. Please, analyze the situation at local and national level.". Stimulating debates, confrontation and mutual understanding, allowing each participant to give voice to their point of view. Comparison of different cultures and habits.

Official conclusion of the international meeting: "Synergy project - results and achievements". Speeches by the Mayor, by local people and by direct participants. Open debate to set themes for new collaborations and project's follow-up: draft of conclusions, opinions and recommendations..

Cultural evening: Requiem – concert in the church of St. Joseph in Jevišovice

#### September 25th 2022

Greetings and departure of the delegations.
